Acknowledgement

Christian Conduct and Witness

Kuyper College expects all students, staff, and faculty members to honor the Lord in all they do, to love him with their hearts, minds, and strengths, and to love their neighbors as themselves. The goal of the College and of each individual is to follow Jesus Christ and serve him. For this reason, everyone is urged to avoid activities that displease Christ in any way or impair the testimony of the person or the College.

The primary guidelines for life are found in God's word. What Scripture expects of Christians (morality, honesty, kindness, Christian responsibility and freedom, etc.) is our expectation for student behavior as well. Kuyper College reflects a diversity of theological beliefs and practices and promotes free discussion of theological issues, but not the imposition of these differences on fellow students and staff. For more information, the Student Handbook and Statement of Faith are online at www.kuyper.edu.

I subscribe to Kuyper College's Statement of Faith and the statements of Christian Conduct and Witness. I agree to honor and respect differences of theological beliefs and practices as I interact with others, and I agree to observe the rules governing student conduct as found in the Student Handbook. To the best of my knowledge, the information provided in this application is complete and true.
