

## Kuyper College

### “*Dig*: Uncover Your Future” Scholarship

**Dig and Kuyper College:** The stated goal of the *Dig* program at Calvin Theological Seminary is to uncover the future of high school students “as they explore how a calling to ministry can be lived out in any vocation.” *Dig* students also experience a community that seeks to know God more, follow His will, and be challenged as they take part in off-campus service opportunities, small groups, and reflection activities.

Kuyper College’s vision and purpose is to “equip students with a Biblical, Reformed worldview to serve effectively Christ’s church and His world.” Our goals for a Kuyper student’s experiences align very well with *Dig*. As a result, those students who attend *Dig* are just the type of students who thrive at Kuyper College. This scholarship is yet another way that Kuyper College wants to connect with and serve *Dig* participants as they continue to explore and prepare for their future as students at Kuyper.

**Details:** A one-time \$2,000 scholarship to attend Kuyper College is awarded to any student who has completed the *Dig* program through Calvin Theological Seminary.

#### **Requirements:**

- Available for first-year and transfer students
- Must provide documentation that they successfully completed *Dig*
- Must be accepted as a regular admit (without any academic provisions)
- Must be enrolled full time at Kuyper College
