KUYPER COLLEGE

# PROFILE OF EDUCATION BACKGROUND

Certified translations into English and certified copies of supporting documents from the secondary level and above must be provided with this form. Allow one line for each year of school you attended.

Column 1: On each line, write the appropriate years for each school you attended.
Column 2: Write your age for each grade attended.
Column 3: You must account for every year beginning with your secondary school years. If you were out of school for a length of time, please note that, too.
Column 4: For each school year, enter the standard grade, form, class, or the name of the class or level you attended that year.
Column 5: Enter the name of each school and its city and country.
Column 6: Write the language used in class by your teachers.
Column 7: Write in the name of any examinations you passed or certificates you obtained at the **end** of that school year. For example, if you completed high school at the end of your twelfth year in school, on that line write High School Diploma.
