Our desire at Kuyper College is to develop a community of Christian learning that will challenge and support each of us to grow in all areas of our lives. Abraham Kuyper, after whom the College is named, displayed a commitment to “being a light” to “every square inch” of the world – a perspective that is reflected in the College’s purpose statement, “**Bringing God’s Grace into Today’s Culture.**” At Kuyper, our goal is to prepare Christ-followers who can wisely and critically engage culture with both grace and truth.
