

The mission of Trinity Christian School is to provide a quality Christian education from kindergarten to twelfth grade for the children of believing parents of our community. This education will emphasize that God is to be glorified in all areas of our lives. All subjects will be taught from a Reformed biblical perspective that honors our triune God as creator, redeemer, and sanctifier. Our goal is to equip our students to fulfill their calling in family, church, and society in a way which is pleasing to our Lord and Savior, Jesus Christ.
