2022 - 2023 Verification Worksheet

Dependent Student

Your 2022 - 2023 Free Application for Federal Student Aid (FAFSA) was selected for review by the Federal Government in a process called “verification”. The law states that before awarding Federal Student Aid, we must ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the Director of Financial Aid at Kuyper College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach, and submit all required documents to the Director of Financial Aid at Kuyper College. Kuyper may ask for additional information. If you have questions about verification, contact the Financial Aid Office as soon as possible so that your aid will not be delayed. **Our contact information can be found on page 8.**
