

Preschool “Lunch Bunch” Supervisor

Eastminster Preschool is a small, private preschool located on the SE side of Grand Rapids. We teach socialization and Kindergarten readiness skills from a Christian perspective in a play-based environment. We are in need of a warm, caring, enthusiastic individual to supervise our daily “Lunch Bunch” from Monday through Thursday. This is a time that is an extension of the school day between our preschool class times and occurs from 11:15 am until 12:15 pm, with prep time before and after. The candidate would be responsible for a group of approximately 10 children ages 3-5 supervising lunch as well as any activities he or she desires to lead.
