

## **Preschool Classroom Cleaning**

Eastminster Preschool is a small, private preschool on the SE side of Grand Rapids. We are desiring to hire an individual to do cleaning of our preschool classrooms Monday through Thursday during the school year. This would include emptying trash, vacuuming, cleaning the bathrooms and occasional mopping. The estimation of time would be about 2 hours per day, and the cleaning could be completed either early morning before our classes begin at 8:30 am or after our class times, beginning about 2:30 in the afternoon. When you complete the cleaning is flexible.
