

# Kuyper College

## STATEMENT OF FINANCES FORM

The Statement of Finances Form provides financial information to Kuyper College to assess international applicant's financial needs. No application for admission or scholarship offer will be considered until the Form is received, fully completed and signed by the student, parent, and / or sponsor. Financial verification is made prior to the issuance of a Certificate of Eligibility Form, I-20.

Some international students have the ability to fund their education and are not seeking any financial assistance while other international students do not have sufficient funding and need financial assistance in order to attend Kuyper College. Students and their parents / sponsors must complete the Statement of Finances Form regardless of financial status as part of their application process.

Kuyper College is aware that attending school in the US is a significant investment for many students. We are committed to partnering with students but our funds are limited. Kuyper College requires that each student contribute a significant portion of their total costs and is not able to offer full funding scholarships for international students.

International applicants must demonstrate sufficient funding to cover their educational expenses while attending Kuyper College. It is the responsibility of each student to ensure adequate funding for the duration of his or her studies at Kuyper College. The funding indicated on this form is paid directly to the College to cover tuition, housing, and a meal plan along with insurance costs. Any funding needed for personal or travel expenses will need to be provided in addition to what is listed on the form.

Scholarship funds provided by Kuyper College to international students may only be applied toward the following bachelor degree programs: Business Leadership, Ministry Leadership, Interdisciplinary Studies, and Social Work (BSW).

Payment must be made by September 1 for the fall semester and by January 1 for the spring semester. It is the student's responsibility to ensure that all funds are sent in a timely manner so that bills are paid, or payment arrangements have been made, by the required due dates. Failure to do so will result in cancellation of your enrollment at Kuyper.

### Steps to Complete the Statement of Finances Form

#### 1. Fill out and submit the following form

Submit the type and amount of funds you will use toward your educational expenses. Financial resources for personal expenses and travel should not be included. The form must be completed and signed by the student, parent, and / or sponsor.

#### 2. Submit financial documentation

Applicants must submit verifying documents for all funding sources. Submit the following that apply:

- Documentation of Parent's Annual Salary: Income statement, pay-stub, letter from parent's employer, or annual income tax return, translated into English when possible.
- Parent's / Student's Bank Statement(s): Recent bank statement(s) translated into English and in US dollars when possible.
- If you have a sponsor or other funding source, submit an affidavit of support letter signed by that sponsor – notarized and translated into English. Submit corresponding documentation of the sponsor's source of contribution toward your expenses (income / bank statement).

Please keep a copy of your completed form for your personal records. **All financial information will be kept confidential.**

Scanned copies of all documents may be sent to:
