

Audio/Visual Tech Support Part-time (Sunday mornings)

Bostwick Lake Congregational United Church of Christ of Rockford, Michigan is looking for part-time Audio/Visual Tech support who will manage the sound board or run the cameras for the live feed during our worship service from 10:30-11:40 am on Sunday mornings.

Responsibilities:

1. Turn on audio equipment; sound board, amp, hearing impaired systems
2. Ensure that microphones are working and batteries charged
3. Equip service participants with microphones and do a sound check before the service.
4. Run the sound board during the service, ensuring good quality sound throughout.
5. Make sure microphones are put away and the sound board, amp, and hearing impaired systems are turned off after every service.

Once proficiency on the audio system is obtained, specialized training will be made available to learn the webcast video system. Operator will receive a bump in pay once they have learned and begin to run the webcast system.

Qualifications:

- Reliable
- Willing and able to come to Sunday service from 10:15-11:45 am.

Compensation:

- \$20/Sunday

To apply, please send an email of interest to Pastor Amanda Benckhuysen at amanda@bostwicklakeucc.org or Dave Evans at devans@bostwicklakeucc.org.
